

5th National Conference on Grazing Lands

December 9 - 12, 2012 • Orlando, Florida

Poster Paper Display Information

Poster displays will be placed one side of a 4' X 8' poster board. Each poster board holds two poster displays. There is no space for video monitors, PowerPoint or slide projectors.

Please plan on bringing your own push pins or other items to attach your poster board materials to the displays.

Poster papers WILL BE published in the conference proceedings. Conference proceedings are distributed to National Land Grant Institutions, the Library of Congress, and all registered conference attendees. They are a sought after, valuable resource. We request that you provide a paper providing additional details in addition to the abstract you submitted. Please see the manuscript instructions for further information.

If you have any questions please contact our Conference Administrator, Monti Golla, at 979-777-9779 or via email at grazinglands@verizon.net
